We write on behalf of the Football Data Co Limited which is the appointed licensee of the FA Premier League, the Football League, the Scottish Premier League and the Scottish Football League ("the Leagues") in respect of the licensing of certain intellectual property rights of the Leagues, including those in the fixture lists for this season August 2008 - May 2009 ("the Fixture Lists"), for use by third parties.

We have noticed that an app on your itunes service called 'ifooty' is displaying copyrighted Football Fixtures.

We wish to make you aware that we have a good faith belief that your present use is an infringement of the Leagues' legal rights and that all such unauthorised use must cease immediately. Please confirm by return your agreement to this and give your undertaking to cease all such infringements on any and all of your web sites. Pending your response the Leagues' rights are fully reserved.

The Leagues have appointed the Press Association as their official agent for the licensing and distribution of the Fixtures List. If you have inadvertently infringed our clients' copyright please take immediate steps to contact the Press Association (Email customer_services@pa.press.net) to obtain the appropriate licence. Please confirm to us by e-mail that you are now seeking an appropriate licence. Because of the time sensitive nature of the Fixture Lists you are required to remove them immediately from your site pending the granting of a licence.

We thank you for your cooperation.
